HON'BLE SRI JUSTICE L. NARASIMHA REDDY

WRIT PETITION No.9885 of 2007

ORDER :

The petitioner is a food processing Company. The Government of Andhra Pradesh issued G.O.Ms.No.30, Industries and Commerce (FP) Department, dated 30th January 2006 providing for various incentives such as subsidized supply of electric power to such Companies. The Transmission Corporation of A.P. and other authorities are said to have taken steps to implement the said policy.

The petitioner claims to have made a representation, dated 17.02.2007, to the respondents with a prayer to extend the benefit of 25% rebate on power consumption charges. He placed reliance upon G.O.Ms.No.30 and other Government orders. His grievance is that no steps have been taken on the representation made by him.

Heard the learned counsel for the petitioner and the learned Standing Counsel for the respondents.

The Government has taken a policy decision to extend certain benefits to promote establishment of

industries. One such benefit is the extension of subsidized power supply. The question as to whether the petitioner is entitled to such a benefit needs to be examined on the basis of the information furnished by the petitioner in his representation. Any delay in consideration of the representation of the petitioner would have its own impact on the functioning of the petitioner.

Hence, the writ petition is disposed of directing the respondents to consider the representation of the petitioner and pass appropriate orders within a period of four weeks from the date of receipt of a copy of this order.
